TESTIMONIALS

"I am currently pursuing my PhD at a Central University in Tamilnadu. The MLIS program at Yenepoya laid the perfect foundation for my career in library and information science. The supportive faculty, practical exposure and enriching academic environment helped me grow both professionally and personally. I am deeply grateful for the knowledge, values, and memorable experiences I gained during my time there."

Amaljith SS
MLibISc 2024
UGC-NET (JRF) Qualified 2024

"I received my MLibISc degree in 2024 and presently working at a Medical College Library in West Bengal. Graduating from Yenepoya University with Master's in Library and Information Science provided me with a solid foundation in both theoretical concepts and practical skills. I'm grateful for the valuable learning experience and strong support from the faculty. The journey helped me to grow professionally."
