

Press Note

In connection with the International Conference on Start Ups, Incubators and Entrepreneurship and National Science Day, the Yenepoya University, Mangalore had the proud privilege of hosting Padmashri Mr A S Kiran Kumar, Space Scientist and the Chairman, Indian Space Research Organisation (ISRO) on 28th February, 2016. Mr A S Kiran Kumar is credited with the development of key scientific instruments aboard the Chandrayaan I and Mangalyan space crafts. Dr Akhter Hussein, secretary of Islamic Academy of Education welcomed the Chief Guest and the gathering. In his key note address ISRO Chairman gave an insight on the tremendous achievements and contributions made by the scientists at ISRO including the Chandrayan I and Mangalyan projects. He also shared the readiness of ISRO for the Chandrayan II mission. He told the students that ISRO makes available the data collected by them to the students for research work at their website. The students had a wonderful interactive session with the Chairman after his address. Mr Yenepoya Abdulla Kunhi, Chancellor, Yenepoya University graced the occasion. Dr Shree Kumar Menon, Director, Yenepoya University proposed the Vote of Thanks.
