

Yenepoya Nursing College
Department of Community Health Nursing & NSS unit V
Observation of world Diabetes day on 13.11.2017
Report

The Department of Community Health Nursing along with the NSS unit V of YU and IV B.Sc Nursing students observed the world Diabetes day by organizing a mass awareness programme at Krishna nagara, Kumpala community area on 13th November 2017 between 10am and 11.30am. Commencement of the program was done with the prayer evoked by IV B.Sc nursing students. Ms.Ayisha welcomed the gathering. To create awareness of Diabetes disease and its management, Ms.Anju Thomas and group enacted a role play. It was followed by a health teaching using attractive student prepared charts helped in reinforcement of the subject matter once again to have everlasting effect. The vote of thanks was proposed by Ms. Sreelakshmi.

Around 16 participants were benefited from the awareness programme. Participants gave a positive response and appreciated the enthusiasm and efforts of the students and the initiation taken up by the teachers of Yenepoya Nursing College. The question & answer session was held at the end and distributed refreshment.
