**Subject: Internship Offer Letter**

Dear Dr. Datta,

Greetings from Inventland research laboratories Pvt Ltd.

I refer to our recent telephonic conversation. Following your recommendation, we have received the internship applications from three of the MSc students (Ms. Bhagwati, Ms. Gadi, Neeraja, Ms. Latika Anchan) of Yenepoya Research Center. We have evaluated their CVs and the 'no objection certificates' from your institute.

We are happy to accept them as interns of our organization. We will be offering them training without any charges. Please note that we have two types of **Internship Program**: 12 months (2-semester) and 6 months (1-semester). Based on the timeline mentioned in their application package, we feel that they will be suitable for the 6 months internship program. Please find attached the terms and conditions of the internship program.

We assure you that we will offer required professional training to the selected candidates.

Sincerely,

Dr Soval Pal

**Subject:** Appointment as consultant at the Inventland Research Laboratories Pvt. Ltd.

Dear Dr. Datta,

Greetings from Inventland Research Laboratories Pvt. Ltd.

I am delighted to confirm your appointment, as a consultant at our organization.

This is made in recognition to your contribution to establish academia-industry partnership and to help our organization to improve its business and scientific outreach. We acknowledge your sustained effort in capacity building through research and skill development. We also appreciate your contribution to our organization in terms of access to skilled human resource from your academic employer, Yenepoya University.

This appointment is from 01 June 2021 to 31 Dec 2022.

There are a number of benefits associated with the appointment and these are outlined below:

- Full operational access to the *Formulation and Development* Laboratory
- Full operational access to the *Analytical Development* Laboratory
- Limited access to various confidential documents related to ongoing projects

India Pin No. 174101, Mobile No. +91-8278808020

Your appointment will be reviewed prior to the end of that period by our board of directors who will be responsible for deciding whether to renew the appointment for a further period.

Your appointment may be terminated by either you or the Organization at any time, by giving one calendar months' written notice. The Organization may terminate the appointment with immediate effect in the event that you are in breach of any of the provisions of this letter or if your conduct brings yourself or the Organization into disrepute. If you have any concerns about this, please feel free to communicate with us.

Please note that as a consultant you are not an employee or a member of the Organization's staff and as such there is no entitlement to remuneration and associated terms and conditions of employment.

Confidentiality

In the course of your engagement, you may be exposed to information about the Organization and its suppliers, customers, employees or interns which is confidential or is commercially sensitive and which may not be readily available to other organizations or the general public. You shall not, except in the proper course of your duties and without due permission, either during this appointment or after its termination (however arising), use or disclose to any person, company or other organization whatsoever any confidential information. This includes (but is not limited to) financial information, personally identifiable details of employees, suppliers, customers or interns and any information which you have been told is confidential or which you might reasonably expect to be confidential.

Finally, I welcome you to this position and look forward to a continuing association that is mutually rewarding.

  
Yours sincerely
