Discussion

- Vayasthapana group of drugs are rejuvenative drugs that help in arresting the effects of ageing.
- Resists effects of geriatric changes
- The cells undergo wear and tear during the process of ageing
- Proliferative capacity of the stem cells reduce due to ageing
- The first 4 compounds (PN, AM, SP, SV), at certain concentrations , have shown increase in the proliferation of SCAP cells compared to the control

Mangaluru: Yenepoya (deemed to be university), Kankanawadi Ayurved Belagavi sign MOU

Wed, Mar 10 2021 02:46:59 PM

Daijiworld Media Network - Mangaluru (EP)

Mangaluru, Mar 10: Yenepoya (Deemed to be University) entered into a Memorandum of Understanding for collaboration of educational and research activities with KLE's B M Kankanawadi Ayurved Mahavidyalaya, Belagavi.

Yenepoya deemed to be university vice-chancellor Dr Vijay Kumar, registrar Dr Gangadhar Somayaji, Yenepoya research centre deputy director Dr Rakha P D, KLE's B M Kankanawadi Ayurved principal Dr B S Prasad, research convener Dr Giridhar Vedatam and Dr Swarda Uppin were present during the signature

process.

The agreement includes cooperative research, training and joint programmes on education, exchange of teaching staff and students.

The agreement intends to regenerate the results of medicines as mentioned in ancient Ayurveda treatises and use them on animal models in joint research. The organizations have opined that the collaboration will be exemplary for the scientific world and health sector.
