Report of Foundation/ Induction course

Key features of Foundation Course @ YMC

- All the resource faculty were requested to prepare teaching modules for each component of Foundation course as per the prescribed guidelines that included Session objectives, TL methods, Activities, Reflections in structured format, Assignments, and Assessments.
- The student Logbook was designed for the entire course. This was in the form of log of sessions and reflections on sessions.
- Google Classroom was created for the purpose of using e portal for submission of assignments, feedbacks etc. This also enabled the course coordinators to share resources and time table schedules with the students.
- Google forms, Google doc and Google photos for documentation were used for daily assignment submissions, daily session feedback and Reflections.
- The resources shared were Movie clips, book for review, movies for competition, Youtube links, Study material, and Reference articles were shared.
- As a part of team building activity, the entire batch was divided into four teams. This helped in conducting several team-based activities and also enhanced team dynamics
- A variety of interactive activities and 20 different competitions were conducted for all the students who were divided into 4 Teams.
- 2100 online feedbacks have been collected for the sessions by the students.
- 40 Preclinical Faculty coordinated the daily sessions in which 90 faculty members from YMC and 5 external faculty members were the resource persons for this entire foundation course.

The topics discussed under different contents are mentioned below.

ORIENTATION SESSIONS

- Learning environment, Institution.
- Campus and facilities
- Rules & regulations,
- Policies and procedures,
- Faculty mentors
- History of Medicine
- Role of doctors in society

AETCOM SESSIONS

- Ethics
- Professionalism
- Values & behaviour
- Professional competence
- Effective communication
- Interpersonal relationships
- Time & Stress management

SKILLS TRAINING

- Basic Life Support
- Universal precautions
- Immunisation
- Waste management
- Personal Protection
- First aid

COMPUTER SKILLS

- ICT in education.
- YENGAGE
- Online security & safety
- Data management
- Tools for Collaborative works
- Blogs & Social networking skills
- Basics of Photography, image processing, Geo-tagging

LANGUAGE SESSIONS

Small Talk, Group communication, Cross Cultural communication, Written communication, Tenses, Verbs, Idioms, Prepositions, Public speaking skills, Body Language, Self Confidence, Etiquette of speaking, Reading skills, etc.

FIELD VISITS

- National health goals, policies
- Health care delivery systems
- Visit to PHC, Anganawadi, Water and Sewage treatment plants
- Interactions with patients, families and Communities.

Report of Foundation/ Induction course

White Coat ceremony: On the last day of this foundation course (31.8.2019), White Coat ceremony for MBBS students of 2019 batch was conducted at Auditorium, YMC Hospital. The students were addressed by University and college officials. The need of conducting themselves with utmost dignity and respecting teachers and patients was emphasized. The students were administered a oath to respect the profession in the form of white coat oath. Prizes were distributed to the student teams who were declared winners in various competitions held during this one month Foundation course.

Feedback was collected from the students using Google form which showed that students were of the opinion that

- The foundation course 2019 achieved the objectives as stated in the beginning of the programme
- It was useful, logically sequenced and effective
- It generated interest towards MBBS Program and improved overall understanding of various roles of health professional
- Various activities planned and interactions in foundation course were good
- Overall students enjoyed and were benefitted from this course.

Student Induction Programme
First BDS Students
2020-2021 Batch

Introduction: Transition from school/college life is the most challenging event in a student life when a new student enters an institution. They come with diverse thoughts and backgrounds. Many of them have little knowledge of University/ college. An important task therefore is to welcome new students to higher education and prepare them for their new role.

Student induction is designed to help in the whole process. Therefore it should be taken seriously more than mere orientation programme.

Purpose: Purpose of student induction programme is to help new students adjust and feel comfortable in the new environment, inculcate in them ethos and culture of the institution, help them build bonds with other students and faculty members and expose them to a sense of larger purpose and self exploration.

Procedure: Yenepoya Dental College conducts a student induction programme for the students of BDS of 2020 -2021 batch. This will be a seven days course designed to be offered prior to beginning of BDS courses. The course is according to the guidelines given by Deeksharambh and which also includes universal human values.

Course Objectives:

- To familiarize the newly joined dental students of Yenepoya Dental College to the dental curriculum.
- To appraise these students regarding campus life and rules and regulations at Yenepoya (Deemed to be University).
- To make acquainted the students with the support system available for them, to deal with various challenges of health professional student and hostel life.
- To ensure that students are aware of the facilities offered by Yenepoya (Deemed to be University) for their overall development including sports, E learning, Library etc.
- To enlighten the students of role of doctor in the society in the form of extension activities where students can have a role like NSS.
- To sensitize the students to various roles of a health professional student like- life long learner, communication skills, ethics, professionalism and empathy.
- To lay the foundation of developing empathy, healthy attitude, ethics and communication skill amongst students.
- To create an awareness among the newly joined students about ragging a

Bengaluru, Karnataka

menance.

- To introduce the students to on line teaching platform of the University , that is YENGAGE and to give them an insight regarding Swayam course.
- To an introduction to YUAA (Yenepoya University Alumni Association).

The programme will be conducted at dental auditorium and Yendurance Zone. The following members constitute to the committee of the programme:

Chairman: Dr Akther Hussain, Principal, Yenepoya Dental College

Convenor: Dr Savita Dandekeri, Professor, Yenepoya Dental College

Cordinators: Dr Kevin Fernandes, Senior Lecturer, Yenepoya Dental College

Dr Uma M, Reader, Yenepoya Dental College.

Members:

Dr. Smitha K, Lecturer, Dept. Of Oral Pathology	I BDS

Respected Madam,

Sub: Permission to Conduct Orientation Programme(Deeksharambh-2020)

Madam,

I am writing this letter to request permission to conduct **Orientation Programme(Deeksharambh-2020)** from 20/10/2020 to 22/10/2020 through Online for 2020-2023 batch students. I wish to conduct this programme in order to give the awareness about College code of conduct and also other session by various experts on the topics Yoga, Personality development, Anti Ragging, Substance Abuse etc. I believe this will be a very useful event that many students will wish to attend.

Thanking you

Yours sincerely

Shareena P.
14/10/2020.
