# Feedback from Professionals on Curriculum(Form.No:5)

Dear Sir/Madam,

Review of curriculum content and the objectivity and the course outcomes are usually developed and reflected from the Board of Studies or through a professional association working in the specified area. The relevance of this is to be evaluated by a person or a professional working in this field. This is a continuous process. With this background we seek your professional feedback regarding the curriculum and its relevance to current demand at the professional and societal level. We will maintain necessary confidentiality.
