## CONTEXT

Balepuni Grama Panchayath seeks to start oral health care services on its premises for the benefit of the community. It seeks collaboration with the Department of Public Health Dentistry, Yenepoya Dental College, for provision of oral health care and educational services. Hence, this MOU has been executed.

### The following will be the Roles and Responsibilities of the Department of Public Health Dentistry, Yenepoya Dental College (PHD)

1. The department shall provide dental screening services and basic dental treatment facilities as per the schedule in the Centre.
2. Cases referred from the Centre will be provided dental health care services in Yenepoya Dental College (YDC) in accordance with the regulations of the dental college regarding patients being referred from centres/outreach programmes organized/conducted by the department.
3. The department shall organize oral health education programmes in the Centre and community as and when needed.
4. The department shall conduct free oral checkup/screening camps in selected areas/institutions in coordination with the GP.

### ROLE AND RESPONSIBILITIES OF GP

1. The GP shall send referral cases to YDC for treatment on outpatient or inpatient basis depending on the need. Whenever any patient requires to be admitted at the hospital, the GP shall take the responsibility of providing attender service for the patients at all times.
2. The GP shall provide all required arrangements/facilities whenever checkup camps/programmes are held at its premises.
3. The GP shall submit written request to the department each time for any services or assistance required from the department/institution.

## CONTEXT

Sri Krishna Hospital is located in Kakkinje, Belthangady taluk, at the foothills of Charmadi Ghat. It is a referral centre for secondary and tertiary healthcare in the rural area as well as a primary referral hospital for trauma cases in the area. It also provides medical services to the elderly and home-bound in the community, as well as working towards upliftment of the downtrodden in society. For the benefit of patients, it seeks collaboration with the Department of Public Health Dentistry, Yenepoya Dental College, for extension of oral health care and educational services. Hence, this MOU has been executed.

### CONTEXT

Yenepoya Dental College, being one of the finest dental colleges under private management in Dakshina Kannada District of Karnataka State, is desirous to promote best practices in Dental care services in the areas as found appropriate in partnership with local organizations. In this context, the Department of Public Health Dentistry, Yenepoya Dental College, has identified Sri Subramanya Mahaganapathy Sports Club (R), Thokur as a prospective partner for promotion of Dental health care services for the benefit of socially and economically backward families. Hence, this MOU has been executed.

### ROLE AND RESPONSIBILITIES OF THE FIRST PARTY

1. The first party will undertake survey of the families in the Thokur-10 village of the **SECOND PARTY** for assessing the Oral Health and Socioeconomic status. The cost of such surveys will be borne by the **FIRST PARTY**.
2. The **FIRST PARTY** will give focus to Dental Health care of families residing in Thokur-10 village.
3. The **FIRST PARTY** will undertake the following activities to achieve the objectives under Dental Health care services:
  - i) Awareness generation among various sections of the community through information dissemination camps, rallies, street plays, audio-visual aids and such other tools as found appropriate on matters like dental health, substance abuse, personal hygiene and sanitation.
  - ii) Conduct oral health screening and treatment camps for the families in the target village.
  - iii) Persons identified with specific health needs will be referred to Yenepoya Dental College located at Deralakatte, Mangaluru, and will be provided services as per the policies of the Institution.
  - iv) Provide health cards facility for dental treatment at Yenepoya Dental College.
  - v) Organize screening and treatment programmes in schools and colleges for raising awareness and improving oral health.

ATTESTED

## ROLE AND RESPONSIBILITIES OF THE SECOND PARTY

1. The **SECOND PARTY** shall accept the good gesture of the **FIRST PARTY** to provide Dental Health care services in the village.
2. The **SECOND PARTY** shall make available its meeting hall facilities on free basis to conduct meetings, education programmes, and dental camps depending on the availability.
3. The **SECOND PARTY** shall give active collaboration with the **FIRST PARTY** in organizing awareness programmes on oral health, substance abuse, personal hygiene and sanitation, etc.

## AMENDMENT AND ARBITRATION

Amendment, if any, to this MOU can be made by mutual consent of the two parties in writing only. Any dispute arising out of or in connection with this MOU or in the event of any conflict of interpretation of this MOU, the same shall be resolved by mutual negotiations between senior management of both parties.

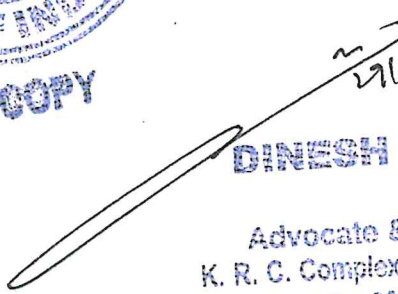

This Memorandum of Understanding will come into force upon affixing of the signatures by both the parties and will remain in force for a period of one year from the day of signing this document. This MOU may be extended as required by written and signed consent of the parties.

In witness whereof, the parties hereto have signed this MOU and executed on this day, 8-1-2020 as mentioned above in the presence of the following witnesses.
