Outreach healthcare programs:

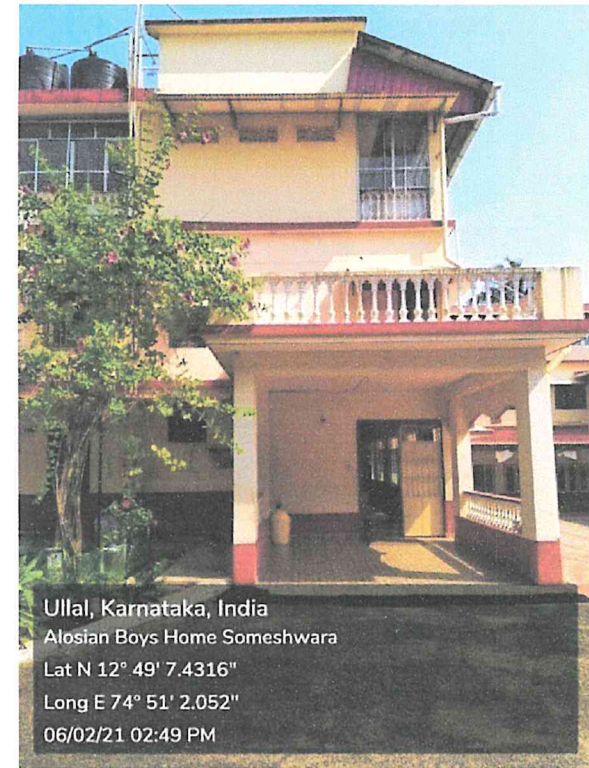

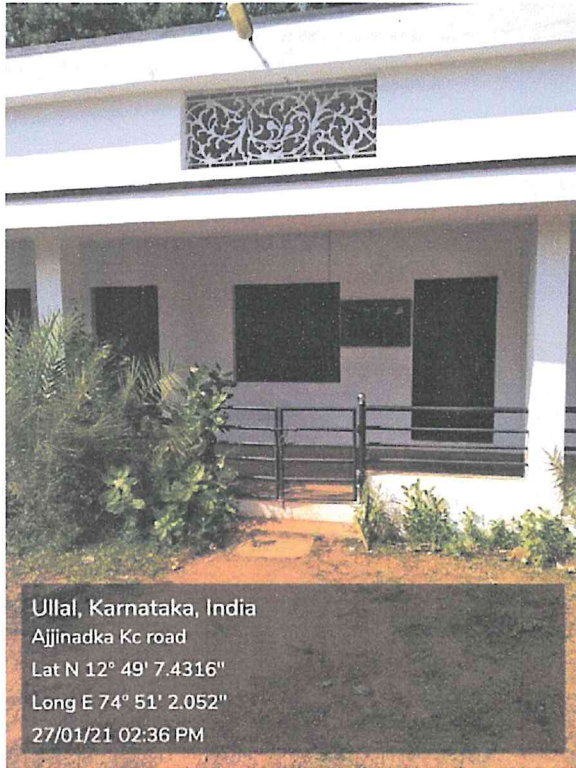

- ***Outreach healthcare programs:*** The Rural Health Care Development Centre (RHCDC) delivers free and subsidized healthcare to rural and semi-urban population, through 30 satellite centres. The dental college delivers daily dental care services at 5 centres and weekly services in 10 centres. In addition the Medic-social works department conducts screening, healthcare delivery, surveillance and awareness camps in rural and outreach and operates through collaborations with more than 106 Govt. and Non- Govt. Organizations. More than 3000 outreach camps have been conducted in the last 5 years.

Family adoption program

Under the Govt. of India program, the institution has adopted five villages demonstrating social responsiveness. Students are involved in understanding the village structure and function through baseline household surveys, health education sessions on hazards of substance abuse, nutrition, personal hygiene and healthcare. Multispecialty health check-up camps, distribution of cloth bags and spectacles, plastic ban campaigns and educational sessions are conducted wide across emphasizing the hazards of plastic use.

Kara Seva activities

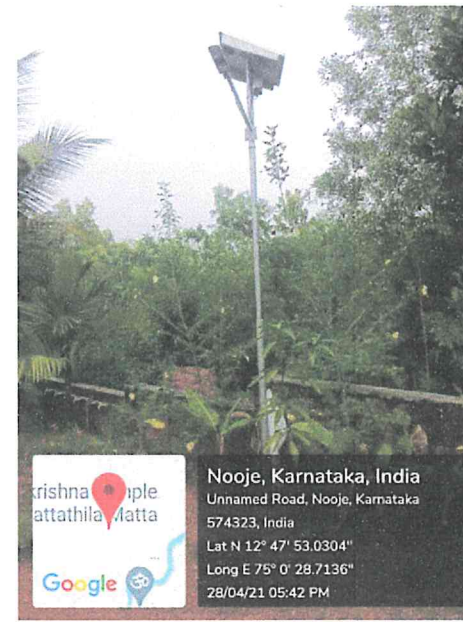

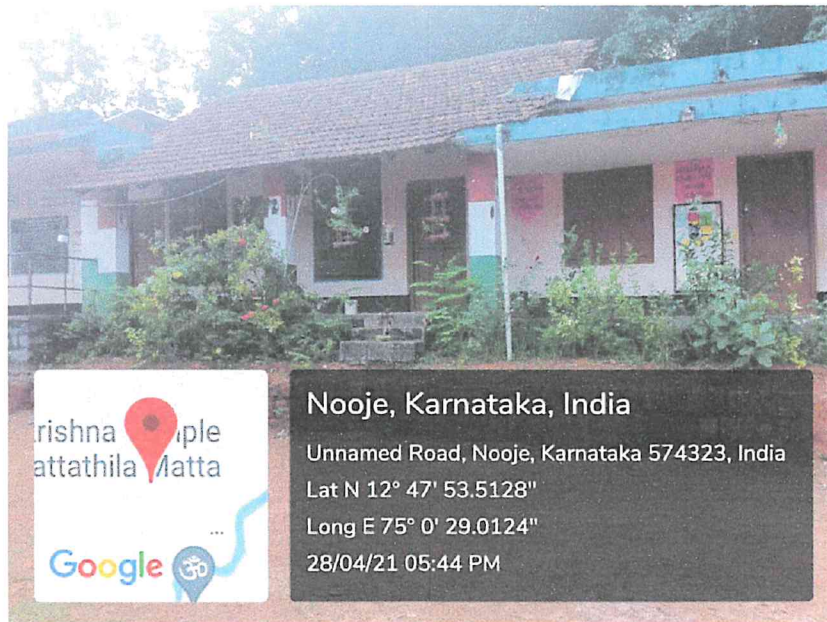

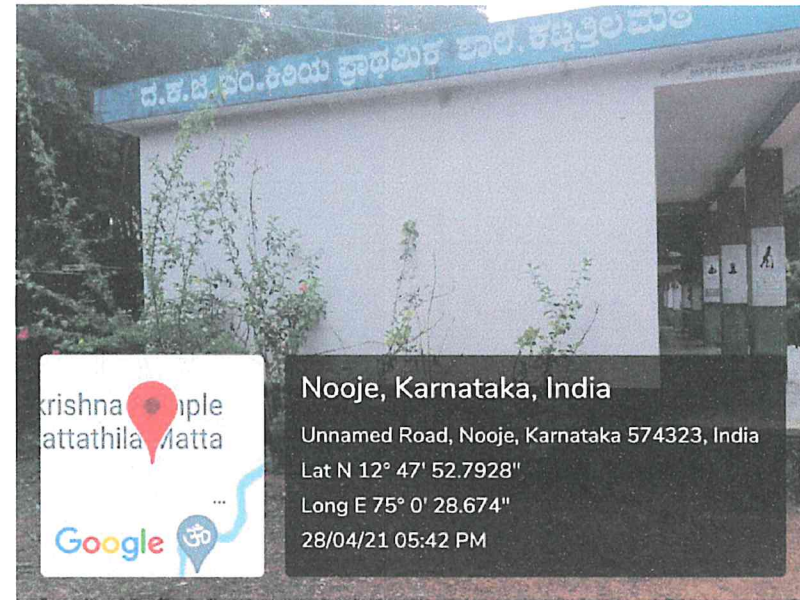

- ***Kara Seva*** is a student initiative reaching out to rural schools, orphanages and overall development of children. In a short span of 5 years the students have realized and brought to fruition dreams of many children from the rural setting through health check up camps, school upkeep, social outings, and provision of infrastructure and other amenities.
