

YENEPOYA

(DEEMED TO BE UNIVERSITY)

Recognised under Sec. 3(A) of the UGC Act 1956
Accredited by NAAC with 'A' Grade

APPEAL

Yenepoya (Deemed to be University) has been conducting year/semester end examinations regularly since its inception in 2008. The University has also been able to publish the results of the final examinations within 2 weeks time from the conduct of the last examination which ensures that the students graduating would be able to join for higher studies without any hassles.

However, during the academic year 2019-2020 and 2020-2021, the University was compelled to defer the examinations due to Covid-19 pandemic and lockdown restrictions. Further, the competitive examinations especially NEET was also delayed adding anguish among the aspirants.

Yenepoya (Deemed to be University) predominantly being a health science educational institution has been more affected while compiling the data for 5.2.3. Nevertheless, this institution has made all efforts to collect the progression data for providing response to the metric.

The admissions to MD, MS programs should have been over by May 2021. But is delayed due to postponement of counselling process. In view of all these genuine impediments faced by this institution during the last 2 academic sessions, we appeal NAAC to have a considerate approach during DVV of this metric.
