Dear Dr. Sahana Talarneri Gopalakrishna,

I am pleased to offer you an appointment as a Research Fellow at Mayo Clinic with Dr. Ke Zhang in the Department of Neuroscience for 1 year. The proposed start date of your appointment is November 18, 2019. **Please contact me if you are unable to start on this date.**

You will be receiving an email with a link to the Onboard system. After creating your password, you will receive another email with a passcode allowing you to log in. The Onboard system is where you will complete your pre-employment requirements and learn information useful to new employees. Please feel free to contact me with any questions you may have prior to your start date.

As a research appointee, you will not be eligible for patient or research subject contact as part of your research activities. However, you may be allowed to observe clinical and surgical/procedural practices. You may review this policy and procedure after you have arrived and started your research appointment.

Attendance at orientation is required before you can begin your appointment. This appointment is contingent upon a satisfactory background check, academic verification, health review and completeness of file. The duration of this appointment is subject to ongoing financial support for the position and acceptable performance.

As a research appointee, you will not be eligible for patient or research subject contact as part of your research activities. However, you may be allowed to observe clinical and surgical/procedural practices. You may review this policy and procedure after you have arrived and started your research appointment.

Mayo Clinic Orientation

Date: November 18, 2019

Time: 7:00 a.m. - 12:00 p.m.

Arrival location: Stable North Building 125N

We will take your identification badge photograph at the beginning of orientation. Business attire is required during orientation and training. Men must wear a dress shirt and tie. Tank tops, jeans and sandals are unacceptable.

Please contact your sponsor for specific time and location for department orientation.

You will be eligible for Mayo Clinic health insurance coverage and other benefits. After your arrival, benefits information will be delivered through an online module. Please know that you have 31 days to enroll in benefits from your start date.

You will receive a biweekly salary of \$1,923.24. Your salary is calculated and deposited one week after the end of a two-week pay period. Therefore, bring adequate funds with you to allow for delays in receiving your first salary deposit.

It is a United States regulation that you present identification and valid work authorization on or before you begin your research program. Attached is a list of documents that satisfy this requirement. Mayo Clinic participates in E-Verify and may provide the Social Security Administration (SSA) and, if necessary, the Department of Homeland Security (DHS) with information from each new appointee's Form I-9 to confirm work authorization. If you do not have a Social Security Number or your Social Security Card needs to be updated, please obtain and/or update as soon as possible to avoid any confirmation process delays.

It is Mayo Clinic's general policy that all individuals engaged in research programs, regardless of the appointment category, be citizens or permanent residents of the United States or have an appropriate visa status to be in the United States for professional activities. If you have questions about visa processing or other immigration matters as it relates to your appointment, please contact Mr. Craig Swenson at telephone number (507) 254-4421 or by e-mail at researchvisa@mayo.edu.

Dear Dr. Sadiya Shaikh,

I am pleased to offer you an appointment as a **Postdoctoral Scholar—Employee, Level 0 (Title Code: 003252)** in the Department of Molecular, Cell, and Systems Biology, College of Natural and Agricultural Sciences at the University of California, Riverside. Your appointment is scheduled to begin **04/01/2021** and end **03/31/2022**; and you will report to Dr. Ted Karginov. This appointment is assigned at 100% time. The monthly salary for your appointment will be **\$4,455** a month which is based on an annual full-time salary of **\$53,460** and is subject to deductions as may be required by federal, state or University regulations. Your Postdoctoral Scholar—Employee position will be supported primarily from Professor Ted Karginov's extramural fund sources **A01093-33658-44-NNFVK**. During this period you will be working under the mentorship of Dr. Ted Karginov, who will also provide laboratory and office space as needed. This work will be on the Riverside campus.

This appointment is limited to the dates specified and is contingent on the availability of funds. A postdoctoral scholar appointment is a temporary one and involves no presumption by the University or the individual of reappointment unless there is a definite written offer of reappointment. Thus, your appointment is self-terminating on the ending date shown above; no further notice will be given to that effect. The total duration of an individual's postdoctoral service may not exceed five years, including postdoctoral service at other institutions.

Postdoctoral Scholars are eligible to participate in the Postdoctoral Scholar Benefit Plans, which include medical, dental, vision, life, AD&D, short-term disability, and voluntary long-term disability. To obtain detailed information regarding and to enroll in these plans, go to <https://ucpath.universityofcalifornia.edu/home>. If you have questions about the enrollment process, contact Gallagher Benefits Services toll-free at 1-800-254-1758 or e-mail UniversityServices.GBS.psbp@ajg.com. You have 31 days from your first day of hire to enroll in benefits.

If you were previously a UC employee or do not have a social security number go to www.garnett-powers.com/postdoc/ and complete the forms. Then forward them to Patrick Andrew Napier, Graduate Division. You have 31 days from your first day of hire to complete the forms.

In accordance with Benefits Article 3B5 Postdoctoral Scholars are obligated to contribute to the monthly health benefit premium for both the HMO and PPO plans. By accepting this employment offer, you have an obligation to pay the postdoctoral scholar contribution as outlined in the collective bargaining agreement, unless you opt out of benefits. Postdoctoral scholars are obligated to contribute to the monthly health benefit premium for both the HMO and PPO plans.

In addition, Postdoctoral Scholar Employees are required to contribute to the University of California Defined Contribution Plan (DCP) as Safe Harbor participants, and may make voluntary contributions to any of the University of California Retirement Savings Program plans. Find details on your UCPath account at <https://ucpath.universityofcalifornia.edu/home>.

Dear Mr. Utsav Sen,

This letter is to inform you that you have been accepted as a **Postdoctoral trainee at the Weizmann Institute of Science (WIS)**, for a period to be decided with your host based on the Feinberg Graduate School (FGS) policy. Your host for the term of this training will be Prof. Sima Lev of the Department of Molecular Cell Biology.

Please note that you are provisionally accepted, contingent on approval of your Ph.D. before arrival to the Weizmann Weizmann Institute of Science.

Specific visa and arrival procedures for international postdoctoral fellows due to the COVID-19 pandemic: See details highlighted below

Thesis submission:

If you have NOT submitted your PhD thesis yet then this acceptance letter is only provisional, until you provide the FGS with an official letter from the relevant authorities at your university certifying that your thesis has been submitted. Please note that under no circumstances will you be allowed to start your training at the WIS (in any status) before the above-mentioned confirmation is received at the FGS.

Degree eligibility:

You must provide the FGS an official document from your university specifying the thesis defense date or expected date of degree eligibility before procedures can be initiated for the formal beginning of your postdoctoral training.

You must provide a copy of your PhD diploma or an official certification of degree eligibility within 12 months of the starting date of your postdoctoral training at the WIS. Failing to do so will result in termination of your training.

Trial period

Please note that the first three months are considered to be a trial period. For more details concerning the "Trial Period" please consult the FGS website (postdoc > Timeframe, Start & End). In case the fellowship will continue beyond the trial period, these three months will be considered as an integral part of the fellowship period (of one year) with an option to extend it for a second year based on mutual consent of yourself and your host (subject to the Institute regulations).

Confirmation

Please confirm in writing by 23/02/2021, your acceptance of this offer.

Rules and regulations and code of ethics

Postdoctoral trainees at WIS are bound by all the FGS rules and regulations. <https://www.weizmann.ac.il/feinberg/about/about-fgs/code-ethics>

Duration and termination

Information concerning duration and termination of postdoctoral training periods: <https://www.weizmann.ac.il/feinberg/admissions/postdoctoral-training/duration-and-termination>

Intellectual property form

All postdoctoral trainees must sign the standard WIS IP form in which they accept the Institute policy on patents and innovations BEFORE they start their training period.

Invitation as a scientist

Dear Dr. Kapoor,

Please find attached the original letter for the German Embassy. It is a legal requirement that you possess a visa as scientist for your stay in Germany. In your case it will be a special visa for scientists which can be issued by the Consulate directly without contacting the German Immigration office. Please take it there **personally** as soon as possible as this can take up to six weeks or longer. This should speed up the procedure. The letter has been prepared showing the most recent dates indicated and we therefore take pleasure in inviting you from April 15, 2021 to April 14, 2022. Please notify us immediately of any changes to this date.

PROVISIONAL ADMISSION LETTER

Date: May 31, 2021 at 7:22 PM

From: Enquiry Pg01 <enquiry.pg01@jainuniversity.ac.in>

To: Mohammedzahid1277 <mohammedzahid1277@gmail.com>

Dear MOHAMMED ZAHID,

Application No: JUPG21MSC13924,

Dear Student,

Congratulations! You have fulfilled the selection criteria of JET process and have been provisionally admitted on merit basis for M.Sc-Molecular Medicine & Stem Cell Technologies at School of Allied Health Care and Sciences, Jain (Deemed-to-be University) Batch 2021 -2023.

Welcome to Jain (Deemed-to-be University), an intellectual destination that draws inspired students from more than 38 countries to India's Silicon Valley – Bengaluru. The University is granted graded autonomy status by University Grants Commission and has been consistently ranked among the top private universities in India by India Today Nielsen Best Universities Survey. Because of its commitment to learning, research, academia and entrepreneurial development, National Assessment and Accreditation Council (NAAC) has awarded 'A' Grade to Jain (Deemed-to-be University) with a CGPA of 3.31. The University has been ranked 351-400 among 9000 institutions in the BRICS component by QS World Rankings 2019 and has also been awarded 4 stars in the Young University category in Karnataka by KSURF iCARE Ratings for teaching excellence and employability, infrastructure, research excellence, inclusiveness, and social impact.

Note:

- Selection procedure is on Merit Basis, Written Test and Personal Interview.

Provisional Admission is subject to fulfilling the following criteria:

- Your provisional admission to the program will be confirmed only if you obtain an aggregate of 50% and above marks, without any backlogs [as per the norms of Jain (Deemed-to-be University)] in the undergraduate examinations, from a recognized University.
