LAZY PANCREAS

HEALTHY PANCREAS

LAZY PANCREAS

DIABETES IS A SYMPTOM CAUSED DUE TO INCREASED BLOOD SUGAR. THAT IS BECAUSE OUR PANCREAS STOPS PRODUCING INSULIN. INSULIN CONVERTS THE SUGAR TO ENERGY. THIS HAPPEN DUE TO LIFESTYLE CHANGES LIKE LACK OF EXERCISE.

"LET OUR PANCREAS PRODUCE INSULIN"

<p>Essay writing competition by student</p> <p style="text-align: center;"><i>Transformation of Global Health</i></p> <p>Every year 1st September is celebrated as the "World Pharmacist Day". In this year, the world will mark 10th World Pharmacist Day. According to the International Pharmaceutical Federation (FIP), this celebration this day chose the theme "Empowering the global pharmacist in the transformation of Global Health". The report focuses on how pharmacists, being an integral part of society in transforming health through various avenues benefiting even poor, disadvantaged, marginal, and vulnerable quality of life. It also involves the strength and governmental initiatives, policies in developing a robust and efficient healthcare system as possible. India has used COVID-19 as an opportunity to plan a vital role by being the health is restoration of social by citizens. The above points under the responsibility that a pharmacist plays in the global transformation of public health. As quoted by Allen Levine, "We must share our problems with the world, making them a common, worldwide, applicable to all, and not national, multi-regional endeavor".</p> <p>Asian Respiratory Society Acute Respiratory Syndrome Coronavirus 2 (ARS-CoV-2) widespread there were a Global Health Crisis (GHC). Healthcare professionals, migrant workers, students, or refugees, lack of healthcare infrastructure, poor health infrastructure, and limited patient access to health data which cannot be ignored. Poor quality in the healthcare sector has exposed medical errors, excessive diagnosis, unnecessary treatment, and excessive prescriptions. In contrast to this lack of healthcare resources and infrastructure, there has been a rapid technological and digitalization boom. These two conditions lead to a medical crisis. On the other hand, health care professionals field has become a career choice in international world economies. The development can be seen in</p>	<p>Handmade Poster making Competition by Students</p>
