### Report of Training on 'Bag making'

To spread awareness against the use of polythene carry bags the Centre for Environmental Studies organized a "Bag making" training for the staff of the University on 25.11.2019. A healthier option for plastic bag is the use of cloth bags, which is most sustainable and green option for us. Mrs. Harina J. Rao was the resource person who taught how to make different bags using cloth material. The staff actively participated in the programme and by adopting such alternatives; we can soon emerge as clean, green, pollution and plastic free society.

Sub: Elimination of Single Use Plastic- reg.

Respect Madam/Sir,

This is in continuation to UGC letter D.O.No.F.1-54/2019 (Website/Swachhata Hi Sewa) dated 30.09.2019, requesting Higher Education Institutions (HEIs) to reduce the use of plastic, especially single use of plastic and dispose off plastic waste. UGC also framed guidelines which are to be adopted in HEIs. These guidelines are available on UGC website.

In order to achieve the objective of Elimination of Single Use of Plastic, following approaches could be adopted by HEIs to target different group:

- Essay competition among students.
- Activities by organization like NCC, NSS, Nehru Yuva Kendra etc.
- Hackathons among students and start-ups to promote innovation in the areas of alternate materials, recycling, circular economy etc.

All the Higher Educational Institutions and their affiliated colleges/institutes are requested again to undertake approaches suggested above following strict adherence to the Government Guidelines/Protocols on Covid-19 and upload the relevant information on University Activity Monitoring Portal (UAMP) of UGC (<https://www.ugc.ac.in/uamp>)

## CENTRE FOR ETHICS' CONTRIBUTION TO YENEPOYA UNIVERSITY'S SOCIAL RESPONSIBILITY

Keeping in mind, the University Social Responsibility (USR) for YU, the Centre for Ethics has adopted a best, innovative practice of sapling planting by national and international guests. This replaces the presentation of bouquets in the inaugural program which we feel is not eco-friendly.

Till date the following sapling plantings have been done:

Date of planting the sampling	Name of Guest & Designation	Occasion	Sapling name	Planting of samplings by National and International visitors
