Policy Statement for Equal Opportunity Cell

The Yenepoya University shall be committed

- To sensitize the university Community and the general public to the strengths, challenges and threats faced by the differently abled, the non creamy layer and women students & employees.
 - To acknowledge that the differently abled, the marginalized non creamy layer and women employees & students shall require special provisions to counter the multiple forms of discrimination they may encounter in day to day life.
 - To make the university environment secure, accessible and friendly for the differently abled by encouraging its colleges, faculties and departments to provide necessary infrastructure & support.
 - To generate resources to provide tuition assistance special equipment & educational counseling to the differently abled, non creamy layer and women students & staff.
 - To fulfill all statutory requirements for differently abled persons by providing equal opportunities in the teaching, learning and employment process.
1. One of the immediate steps which our university can take is to do an Access Audit of Yenepoya University buildings either by a professional body or by the university maintenance department.

Professional body Samarthyam:
UGC provides funds for this.

2. Short Term Courses
