

## **Yenepoya (Deemed to be) University introduces E-Vehicles in its campus**

In its continuing commitment to the Green Campus concept, Yenepoya (Deemed to be University) in collaboration with Indeanta Mobility Ventures has introduced a fleet of electric vehicles for meeting its in-house transportation requirements. The e-fleet was inaugurated by Dr. M. Vijayakumar Hon'ble Vice Chancellor on 20.07.2021 which includes two Electric Buggies, two Electric Cars (TATA), ten Electric Bicycles and 25 Electric Scooters. These vehicles enable the movement of staff and students within the campus in a manner that is convenient, fun and eco-friendly at the same time. The vehicles are provided along with charging infrastructure and docking points that have been created at multiple locations across the campus thereby enabling students to pick up the vehicles at one location and drop them off at another. Dr Aaron Rueben D'Souza, CEO and founder of Indeanta Ventures, Mr. Varun Bangera, Manager Operations and Mr. Israr Pasha Manager Sales and Mr. Sujish site supervisor were instrumental in launching the e-fleet at the university campus. The introduction of e-vehicles will add to its credentials as an environmentally committed organisation. Hon'ble Pro Vice Chancellor Dr. Sripathi Rao, Former Vice Chancellor of Kannur and Calicut Universities Prof. Abdul Rahiman, Registrar Dr. Gangadhar Somayaji, Finance Officer Mohammad Bava, Controller of Examinations Dr. Nandish, Dr. Akhter Husain – Principal Yenepoya Dental College, Dr. Mohammed Gulzar Ahmed – Principal Yenepoya Pharmacy College and Research Centre and other dignitaries were present during the occasion.
