YU-IAEC CIRCULAR

The Institutional Animal Ethics Committee meeting [IAEC] of Yenepoya (Deemed to be University) will be held tentatively in the first week of July 2021, to review all animal related research projects.

Interested Faculty/Ph.D Scholars/PG students/ UG students may submit their research protocols involving small laboratory animals [soft copy to iaec@yenepoya.edu.in] for approval to the undersigned on or before 21st June 2021. The proposals should be submitted in the format given by CPCSEA, which can be downloaded from Yenepoya (Deemed to be University) website. It should include –Revised Form B (Part A, Part B, Investigator's declaration and certificate page) along with the complete protocol for performing experiments on small animals. All the pages should be completely filled and duly signed by the researcher and in case of PhD/PG/UG student project/thesis, it should include signature of the respective guides.

Those investigators whose IAEC approval have been granted with the clause to submit their preceding year results to obtain next batch of animals are also requested to submit their report to the undersigned on or before 21st June 2021.
